SENATOR CHAMBERS: Mr. President, I move that LB 554 be advanced to E & R Initial and this merely removes certain obsolete and unnecessary language from the statute such as whole books and tally lists and in place would be lists of voters numbered one and two and so forth. So, since it is a relatively simple bill, I think that's sufficient explanation and I do move that it be advanced to E & R Initial. Any discussion? Those in favor of advancing LB 554 vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted. The clerk will record.
